CAREER OPPORTUNITY
Apprentice Assistant Lineman

Apply today to become an Apprentice Lineman with San Diego Trolley!

San Diego Trolley offers a 4-year apprenticeship program, leading to a rewarding career working on the light rail system for America's finest city. Trolley offers competitive wages, exceptional benefits, career advancement, tools and uniforms. Learn the skills necessary to move up the career ladder as an Assistant Lineman, Lineman and Electromechanic responsible for the highly skilled repair and maintenance of the Trolley System.

PAID TRAINING AND EDUCATION
The Apprenticeship Program is divided into two (2) main segments: Assistant Lineman and Lineman. Each segment is approximately two years in duration and consists of on-the-job training and formal classroom training. The formal classroom training is conducted on the employee's own time and may consist of attending classes at San Diego City College, or other approved local junior colleges, and formal classes held on the Company's premises. The Company pays for the cost of the tuition and books. Apprentices attend classes while working full-time for Trolley.

At the conclusion of the Assistant Lineman Apprenticeship Program, the State of California awards the employee a Journeyman's Certificate as an Assistant Lineman. The employee is then enrolled in the Apprentice Lineman Program. At the conclusion of the Lineman Program, the employee is awarded a Journeyman's Certificate as a Lineman. The employee is then eligible for promotion to Electromechanic.

COMPETITIVE WAGES AND BENEFITS
Current starting hourly rate of pay is $16.11. After a six-month probationary period, the employee is eligible for a raise in pay to $17.56 per hour. The employee is then eligible for wage increases every six months. Top rate of pay for an Assistant Lineman is $22.01 per hour. The top rate of pay for a Lineman is $25.37 per hour.
